Product information sheet Orga Shelf 60 P

Item no. 527458

Benefits

- The BLANCO Orga Shelf optimises the sink base cabinet by converting unused upper cabinet space into a functional storage level for frequently accessed kitchen items, supported by precise engineering and UNIT-compatible design for both hinged and pull-out door configurations.
- The slim Orga Shelf installed at the top of the base cabinet provides a defined storage level for frequently used sink-related items such as brushes, sponges and waste bags — contributing to a cleaner, more structured cabinet layout and improved accessibility for daily routines.
- Designed to fit into base cabinets with a width of 600 mm and a pull-out front.
- Fast and straightforward installation helps reduce assembly time in the base cabinet, enabled by fewer parts that support an efficient, installer-friendly setup.
- Smooth surfaces support quick and efficient cleaning of the BLANCO Orga Shelf, with easy-to-reach corners.
- Robust aluminium and plastic support long-lasting performance in the base cabinet and provide a durable storage solution that that helps to keep the undersink area organized.
- The BLANCO Orga Shelf is designed to integrate well with the BLANCO waste systems SELECT II or FLEXON II, drink.systems and additional organisation products as the Storage Bag XL to support cohesive planning within the UNIT.
- BLANCO Orga Shelfs are internally tested by BLANCO LABORATORIES GERMANY, fulfilling the BLANCO QUALITY PROMISE for durable performance over time.

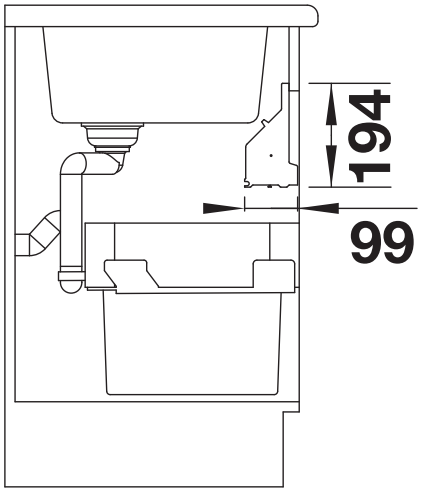

Planning information

- Flexible plastic end caps for the use with cabinet sidewall thicknesses from 16 mm to 19 mm.
- To be installed behind the crossbeam, covering the sink. Flexible height adjustment possible.
- Height adjustment can be restricted by mounting brackets behind the crossbeam.
- Distance between the crossbeam and the sink should be minimum 7 mm.

Scope of supply

- Aluminium Orga Shelf with plastic end caps.
